Story starter!

The humidity was unbearable. Perhaps when they entered the temple it would be cooler?

The group had been travelling together for days, fighting their way through the jungle. They had exhausted themselves wrestling with vines and branches, drenched in sweat as the heat attacked them.

All around them the air was heavy; each breath was a gasp. The jungle climate was oppressive, and they were in need of rest.

As the group hacked their way through the dense foliage with their machetes, they had glimpsed the hidden temple. Approaching the door with a sense of growing trepidation, they knew they had to go inside; curiosity and desperation had got the better of them...

Question time!

- ▶ What does 'trepidation' mean? Why might they be feeling it?
- ▶ Who are 'the group'? Why are they in the jungle?
- ▶ What does 'curiosity and desperation got the better of them' mean?
- ▶ Would you venture into the temple?
- ▶ What might they find inside?
- ▶ Do you think all of the group want to go in?
- ▶ Why is the floor green?

Dylan's Dog

Dylan loved his dog like a best friend. Jess followed Dylan everywhere, never leaving his side. When he took Jess for a walk, she was always gentle and obedient. She followed his every command... unless Dylan was in danger. In that case, she became what his dad called 'a raging storm'.

One afternoon, Dylan decided to take Jess to the park. With her tail wagging and bright eyes, she waited for Dylan to put on his shoes and they crossed the road to the park gate. Sometimes, Dylan's mum would keep an eye on him from the kitchen window but, if Jess was with him, she knew that she didn't need to worry.

Dylan and Jess were playing with a ball when two unfamiliar dogs came into the park. They ran towards Dylan growling and snarling. Jess faced the dogs as Dylan ran towards home.

Why did Dylan's mum know that she didn't need to worry when Jess was with him?

1

Why do you think Dylan's dad called Jess 'a raging storm'?

2

How do you know that Jess was excited to be going to the park?

3

Making It Right

At home, just like at school, we make mistakes. Mistakes are an important part of our learning as they help us to grow as people and move forward. When we make a mistake, we have the opportunity to make it right. In the table below, record any mistakes you have made and how you made them right. This might include sweeping up something you dropped or saying sorry to someone if you hurt them.

Mistake	How I Made It Right
