

## Home Learning Pack - *Reception*

Hello Reception,

Here's some more activities to keep you busy! **Please notice there is a recommended time each activity should take. Please do not go over this time.** Have a break between activities if you need one.

**(20 mins) Literacy**

**(20 mins) Phonics**

**(20 mins) Maths**

**(10 mins) Reading**  **Bug Club** You can read a book of your choice from Bug Club.

**Literacy**  
**Favourite Movie or Story**

Day 2: Plan the snacks

Today you need to plan what snacks you are going to have for your special Movie or Story time. Write a list of the things you will need to make or buy from the shops. Don't worry if some of the words you want to write are tricky just remember to write all the sounds you can hear in the word and use your sound mat to help you if you forget what the sound looks like. Make sure you add some healthy choices to your list.

**Challenge:** You could write a menu of the snacks and drinks you are planning to have. You could decorate your menu around the edge with a repeating pattern.

**Phonics**

Recap Phase 3 sound **qu**

1. Watch Geraldine the Giraffe practise the qu sound [click here](#), can you join in by saying the sound? 2. Can you find anything in your house that starts with qu, like Geraldine?
3. Write a sentence for the pictures below, using your qu sound.

4. Don't forget to practise your sentence out loud, use a capital letter at the start, finger spaces and a full stop at the end!  
Example: The duck went quack

**Challenge:** Write sentences with these 'qu' words in: quiz and quick

### Maths

1. Watch Number blocks song '9' [click here](#)
  2. Find 9 objects that are the same in your house (eg coins, pasta twists, milk bottle tops, tins of food).
  3. Can you make them into a square shape?
  4. What other shapes can you make them into.
  5. Practise writing a number 9.
- Use the 9 objects (and some more) to help find the answers to:
6. What is one more than 9?
  7. What is two more than 9?
  5. What is one less than 9?
  6. What is half of 9? (is it possible?)
  7. What is double 9?
  8. Can you share 9 things (eg. grapes, coins, toys) between 2, 3, 4, people? Can you share them so everyone gets the same?

**Challenge:** Learn how to read and spell the word: nine (it's tricky) can you remember how to spell eight? What other numbers can you read and write from zero to ten?

### Other subjects -Optional

#### Health and Self Care

Have a look on the internet for some healthy snack ideas. Look at what I

found:

Or design your own healthy snack idea ready for your special movie time or story time.

Explain to your adult why it is important to have healthy snacks.
