

## Home Learning Pack

### *Reception*

Hello Reception,

Happy Tuesday! I'm getting some great feedback from your parents saying how well you're doing with your home learning. Keep going you're fantastic learners! **Please notice there is a recommended time each activity should take. Please do not go over this time.** Also do take a break between the activities rather than trying to complete one after the other.

**(20 mins) Literacy, (20 mins) Phonics, (20 mins) Maths**

#### **(10 mins) Reading**

Please read each day. Ask an adult or older sibling to read to you sometimes and make sure you are reading to your adult at least three times per week. You can read a book of your choice from Bug Club. I will be giving you some links to websites where you can read ebooks throughout this week so check the activity sheets each day. Also your adult should have received login details to use the MyOn online library. **(www.myon.co.uk)** *If you are unsure of your login please contact your teacher.*

**Challenges** – If you find some of the suggested activities quite easy make sure you do the challenge activities each day.

#### **(Optional) Additional Activities**

These are activities for you to try and if you like them take as long as you wish.
