10th July 2020

Dear Parents and Carers,

As we begin to say farewell to this school year, it makes us all realise what a very different school year this has been! We have all encountered many challenges, but thankfully, we have all come out the other end a little sad but probably stronger! We have been open throughout the lockdown and we cannot wait until we are all back in September – we have really missed all of the children!

Last Day of School

Thursday 16th July at 3.15pm for Reception, Y1, Y5 & Y6.

The Hub group - last day will be Friday 17th July at 3.15pm.

During the holidays we will be preparing the school and curriculum for September 2020. Again, we will encounter a variety of challenges, but as always, we will do our utmost to ensure our children are safe, happy and have the best possible education. **PLEASE** do activities with them during the summer! Reading is a must!

On behalf of the school Governors, members of staff and myself, we wish you all a safe and care-free summer holiday!

SUPPORT AFTER LOCKDOWN!

As we return to school, one of our priorities will be to ensure that we can offer everyone opportunities to talk about the lockdown and the impact it has had on us all.

Our children will have circle time & small groups to discuss worries & concerns. We aim to set up a walk-in group, for any parents who might have worries or just want to come in for a chat.

In September, please email the office, if you think your child found the lockdown stressful and needs to talk about their Covid19 experience on a one to one basis.

GOOD LUCK

Our Year 6 will be transferring to Secondary School this September! We wish you the very best!

Our Year 6 will still have their Graduation, and this will take place in the playground!

FOOD PARCELS IN THE SUMMER HOLIDAYS

We will be continuing with the food parcels during the Summer holidays.

Please watch out for texts informing you when they have arrived.

I would like to thank....

Tina, Gill, Violet, Iqbal, Rose, Fatima, Hazel and Victoria for sorting out the food parcels each week.

A special thanks to Gill & Violet for the home deliveries!

SCHOLARPACK PARENTS APP

Have you downloaded the Parent APP? – it is the quickest way to receive messages **and** you will be able to send a message back! Have a look on www.townsendprimary.co.uk on how to download it onto your phone!
