Dear Parents and Carers

## School News

We are now into our 4<sup>th</sup> school week and I am happy to report we have had no cases of any staff member or child testing positive for Covid-19 at school. There has been a number of cases of tonsillitis, sore throats, temperatures, but not covid. **A big thank you to all parents who have followed the 10 or 14 day isolating rules.**

1. REMEMBER – if you or your child has any of the following;  
COUGH, (*new continuous cough*)  
HIGH TEMPERATURE is 37.5c and above!  
LOSS OF SMELL OR TASTE
2. **Keep yourself and your children at home**
3. **Call 111 and give them the symptoms. They will inform you what to do next.**
4. Inform the school about the advice you have been given.
5. Home-Learning will be available on Google Classroom so your child can access the learning that their class are doing.
6. **Your child cannot return to school until after you have spoken to the office.**

## PARENTS DAY

**Friday 23<sup>rd</sup> October 2020**

Friday 23<sup>rd</sup> October is when we use our staff training day for all parents to meet the class teacher. Pupils do not come into school on this day.

As we cannot meet in school, the school will be arranging a virtual on-line meeting via Google Meet. This will allow you to see and speak with the class teacher.

Do not worry if you do not have a gmail account or if you are unsure on what to do, we will show you how to activate it and use it.

If you feel you would rather have a telephone call, we will be able to arrange this.

Watch out for a letter coming home with updates and remember to look at the school website, emails and our APP.

Best Wishes  
Anne Stonell
