Dear Parents and Carers

## New school library Monday 2<sup>nd</sup> November 2020

We are excited to announce that the new school library will be open from Monday 2<sup>nd</sup> November 2020. We have invested lots of time and money in making improvements and have hundreds of new and exciting books for your child to start reading!

We now have:

- A central school logging system for all books
- Books that will match your child's reading ability
- Quizzes that your child will complete, which assesses their reading progress

We now need parents to:

- Look after all books and ensure that they are not damaged or lost whilst at home
- If a book is lost or damaged, we will be asking parents to **pay the full cost** of that book.

Why is this an important addition for our children's learning?

- As a parent you will now know exactly how your child is progressing because each book will be labelled with a number.
- The quizzes your child completes informs everyone, how well they are doing and also which questions they are finding difficult to understand.
- This is why it is so important for you to monitor

Best wishes,

Mr Joshua Chivers

**Literacy Coordinator**
