Bug Club – Reading Books

Bug Club

Dear Parents / Carers,

We would like your child to start using our Bug Club reading book scheme. As some of you are aware this is an online reading programme where children are set a new book to read each week. They can read this book on a computer, laptop, tablet or mobile phone device.

Phonics Bug books are phonically decodable and are designed to practise the phonics skills children are learning in school.

Each child has an online profile where they can find their books. Please follow the following steps to log in:

1. Go to www.activelearnprimary.co.uk
2. Enter your log in details (given to you in a letter before half term)
3. Go to 'My Stuff'
4. Open a book and start reading
5. After you have logged in and read a book please log into **Google Classroom** using your child's log in details given to you in a letter before half term. Please add a message onto the Google Classroom 'stream' giving the title of the book your child has read. (See video 6 for step by step guidance on the school website).

Please listen to your child read at least 3 times per week. We will be adding new books each week for your child to read.

Many Thanks,
Early Years Team
