Headteacher: Anne Stonell

Assistant Headteacher: Robert Hamilton

Dear Parents and Carers,

22/01/2021

Updates with on-line learning

I know this is a difficult time for all of us, however, I would like to say thank you to all the parents and family members who have ensured that their children complete the work on-line. **It is so important for your children to learn!**

The feedback we have had from pupils and parents is that there is too much learning to do. We have listened and have updated the timetable. The changes are:

- 1) Maths and English will be on-line daily from 8am to complete in the morning. **Can you PLEASE Check that your child is watching the teaching video until the end and completes each lesson.**

Pupils who do not watch the video find the learning difficult or they can't do it.

Sorry, but this is your responsibility because we can't see if they are watching or interacting with the work set!

- 2) The morning recorded session of the teacher reading, doing maths or talking with the class will continue and feedback is that the children enjoy it.
- 3) In the afternoon ONE lesson will be posted. PLEASE do the same as above. These are now more interactive and more fun!

- 4) **LIVE Google Meetings!** Year
Years 4 & 6 will be trialling a live google meet with their children next week. If this is a success all other classes will begin this. It will enable our pupils to catch up with their friends!

- 5) **Your class teacher has an email.** The office is open! The school has an email! You have been given all Log ins. **SO, IF YOU ARE HAVING DIFFICULTIES** – contact them.

Townsend staff are working every day to ensure home and in school learning can be the best. We now need ALL parents to ensure our pupils interact with their learning! We have the best parents and children!! This can be shown by all parents completing the work!! 😊

Best Wishes Anne Stonell
