30th March 2021

Dear Parents and Carers,

This short term will finish on **Wednesday 31st March at 1.30pm.** This term has been different because classes have remained separated, and all meetings have been online using Google. We have felt that the school does not feel whole, therefore we are now having assemblies with 2 classes at a time. Classes and children are spaced out and all the windows remain open. This has made a change, in that our values and school ethos is shared together.

The children have only just settled into the school routine and some found it challenging to get back into the routine of school. Their stamina was low, and they needed more time to do everyday tasks.

It is **important** that they keep learning over the Easter. **Remember to ensure that they complete Doodlemaths and read their books DAILY over the Easter holidays. PLEASE!**

REFLECTION AT TOWNSEND

I believe we deserve freedom so that we can love whoever we want,
whenever we want.

When people start to listen
then we will have hope
for everyone.

It's great to have dreams,
but it's even better to share them.

Jameela from Yr 4 wrote this independently, after investigating the life of Harvey Milk.

DOODLEMATHS CHALLENGE

For Reception to Year 6 there is a video on each Google classroom identifying the Easter holidays challenge!

READING!

PLEASE ensure your child reads during the Easter holidays – it will keep their skills and stamina up to where it needs to be!

After reading your book do the accelerated reader quiz!

SCHOLARPACK PARENTS APP

Thank you to those parents who have downloaded the App. This has made communication so much easier. Please download this from your phone's App store if you haven't done so already!

Please make sure your child brings in their Townsend PE kit and trainers to school.

**I hope everyone has a restful Easter/Spring holiday, stay safe and Covid aware!
Best Wishes ~ Anne Stonell**
