14th May 2021

Dear Parent and Carers,

Year 4 - National Year 4 Multiplication Test/Check

Next month, your child will take part in the Year 4 Multiplication test/check, which most schools in England will trial.

We have been monitoring their progress with times tables throughout the year and your child knows what score they have achieved. Please ask your child what they got most recently, and you will see where they are with their progress.

- The test consists of 25 times tables questions from 1 times tables **to** 12 times tables
- To ensure your child scores their best, do Doodle Maths at home every day for 10 minutes
- If they do this, they will be more than ready to achieve well in the multiplication test/check

The children can practise the multiplication test/check on this website:

<https://mathsframe.co.uk/en/resources/resource/477/Multiplication-Tables-Check>

This link is on Google classroom.

Any questions, please email me; rhamilton@townsendprimary.co.uk or ask to speak to me at the end of the school day.

Many thanks,

Mr Hamilton

Year 4 Teacher and Maths Coordinator
