

# YEAR 2 SATS TEST

**Year 2 SATs tests will take place over 2 weeks:**

- **Week beginning 16<sup>th</sup> May**
- **Week beginning 23<sup>rd</sup> May**

**Children will be completing 2 Reading tests and 2 Maths tests**

The tests are taken in small groups with their teacher. There is no time limit, and each child is encouraged to do their best.

Our children have already practised the tests in small groups and know what to do – nothing will be new for them!

**If you can make sure that the children...**

- *go to bed early*
- *drink plenty of water*
- *eat a good breakfast*
- *come to school on time*

**Watch the video on our website – this gives you more information about the tests!** <https://youtu.be/cuXJidYP7-0>

DO NOT start making your child learn now, as we have been preparing them all year. PLEASE complete the homework set and read at home!

**Can you please make sure that your child attends school over the next 2 weeks.**
